

Appointment & Cancellation Policy

At Beyond Dental Care, we understand that life can be unpredictable, and there may be times when you need to reschedule or cancel your dental appointment. To help us manage our time effectively and provide care to all patients in need, we've implemented a fair and consistent appointment policy.

Two Business Days' Notice Requirement

We kindly ask that you give us at least **two business days' notice** if you need to reschedule or cancel your appointment. This allows us to offer the appointment time to another patient who may be waiting for care.

If you're unable to contact us during business hours, please leave a voicemail or send a message via our website chat.

Missed Appointments & Late Cancellations

If less than two business days' notice is given or if you fail to attend your appointment, a \$100 deposit will be required to secure any future bookings.

- This deposit will be credited toward your next appointment if attended.
- It will be forfeited if the subsequent appointment is missed or rescheduled with less than two business days' notice

Flexibility & Fairness

We understand that genuine emergencies can occur. In such cases, exceptions may be considered at our discretion. Our goal is to maintain a balance between flexibility and the smooth operation of our clinical schedule.
