

High-Value Treatment Deposit Policy

At Beyond Dental Care, we're committed to providing exceptional care using advanced techniques and technology. For more complex or high-value treatments, we dedicate significant time and resources to ensuring your experience is seamless and personalised.

To help us reserve your treatment time and prepare for your care, a **non-refundable deposit is required for treatment plans valued at \$2,000 or more.**

What You Need to Know:

- A **deposit** is required to secure your first treatment appointment. Your dentist will advise you of the deposit required based on your upcoming treatment.
- This deposit will be **credited toward your overall treatment cost.**
- Your appointment is only confirmed once the deposit is received.
- The deposit is **non-refundable**, unless Beyond Dental Care cancels or reschedules your appointment and no suitable alternative can be arranged.
- If you need to reschedule and provide **at least 48 hours' notice**, your deposit will simply transfer to your new appointment.
- If you cancel with **less than 48 hours' notice**, or don't attend your appointment, the deposit will be forfeited.

We appreciate your understanding and cooperation. This policy helps us deliver the highest standard of care to every patient, every time.
